How to order directly from our Laboratory:

- Step 1: Order the package frames from the optical laboratory of Express Eye Care Pty Ltd and display them in your practice.
- Step 2: Guide your patients to select the package frame and lens accordingly.
- Step 3: Fill out the order form, indicating both lens types chosen according to above table and the frame details (color and number shown on dummy lens).
- Step 4: Fax or e-mail your order to our laboratory.
- Step 5: You will receive the completed spectacles from 1 to 5 working days.
